

UPDATE:

- Monday, April 20, 2020 – Every person 10 years old or older **MUST** wear a facemask while in public.

Facemask may be the following:

Bandana, T-Shirt material folded, Cloth Masks, Surgical masks, Neck Gators and the like.

Please refrain from purchasing/utilizing N95 masks as to leave these available for Hospitals, Care Facilities and First Responders.

- **Social Distancing (Staying 6ft. apart) and frequent handwashing is still the most efficient manner to slow the spread.**
- Bexar County still has the Stay at Home Order in place until **April 30th 2020**
- City Hall is still closed to the public, there are still minimal essential employees here daily to answer phone messages and assist the public as needed
- Police and Fire are still operating at full staffing 24/7 365 days a year.

We would like to express our gratitude to all of our citizens, HEB and Papa Johns Pizza; who have dropped off/donated items (Milk, Bread and nuts, Pizzas, Sanitizers and snacks) for the essential employees and first responders.
