**If you are experiencing power outage or need to report a electrical power line/pole down or sparking please call CPS Energy at (210) 353-HELP (4357). Please do not contact 911 or AH non-emergency. This can only be handled by CPS Energy.**

CPS STORM UPDATE:

**SEVERE STORMS LEAD TO POWER OUTAGES IN OUR SERVICE AREA**

We are responding to power outages throughout our service area.

**Read News Release:** [CPS ENERGY CREWS CONTINUE EFFORTS TO RESTORE POWER OUTAGES AFTER SEVERE STORM](#)

“CPS Energy crews are working diligently to restore power for our customers this evening,” said Rudy Garza, Senior Vice President of Distribution Services & Operations for CPS Energy. “Strong winds backed by rainfall impacted our crews’ mobility and we are working safely to restore power to those impacted. We will continue to monitor the weather in our service area.”
