City Sponsored 4th of July Parade and Block Party  
Canceled

After careful consideration of the current trend in COVID-19 virus infections in Bexar county , the City of Terrell Hills has decided not to host our annual July 4<sup>th</sup> celebration this year. All of us here at city hall love to celebrate with our residents at this function and we are committed to having an even bigger celebration next year. We encourage everyone to celebrate our great country's independence at home this year. If you are planning a celebration at your home ,please let us know and we will ask our police and fire personnel to drive by and salute you.

## FLAG DISPLAY ON ELDON

Eldon Road will be decorated with the American Flags for the 4th of July Weekend. Even though we can't get together as a community we are still going to display our pride in our country!!!!

## *Be careful when cooking outdoors!*

Don't let a backyard BBQ ruin your day. BBQ pits (gas or charcoal) should **never** be placed on your deck or within 10 feet of your home. This includes attached porches and balconies. Proper care should always be taken when disposing of coals or ash. Ash and coals from a BBQ pit on a deck can easily fall below the decking starting a fire that will quickly spread. Always closely supervise your cooking and have a water source or fire extinguisher nearby. Several fires have occurred in Terrell Hills as a result of outside cooking operations. For further safety tips please visit our webpage, call us at 210-824-7401 or email [jseibert@terrell-hills.com](mailto:jseibert@terrell-hills.com).
