

Injury prone? Know Someone who is?

Learn how you can help.

On Monday, November 6, 2017 at 9:00 a.m., the Terrell Hills Fire Department will be hosting a Basic First Aid class. Those in attendance will learn the skills necessary to potentially save a life in the event of an injury. These skills include hemorrhage control and bandaging, as well as the management of environmental emergencies and allergic reactions. The class will last approximately 1 hour. Everybody is welcome and no RSVP is necessary. If you have any questions or wish to obtain more information, please contact Assistant Chief Justin R. Seibert at 210-824-7401 or by email at jseibert@terrell-hills.com. We look forward to seeing you November 6th.
